MAIN CHARACTERS

JOURNEY THUS FAR...

▲ Silver

A young man of few words. Though there seems to be a reason behind his actions, his mission is a mysterious one. He is a more skilled Trainer than Gold.

Sneasel

Joey

Professor Oak

Professor Elm

Gold and Silver finally battle, but then they join against a common foe—Team Rocket, who everyone thinks was destroyed years ago! Once again, Silver slips away. Now Gold really wants to know what he's up to!

Gold, a kid from New Bark Town in the region of Johto, is hot on the trail of Silver, a thief who stole a Totodile from Professor Elm and a Pokédex from Professor Oak...

Joined by Exbo, a Cyndaquil from Elm's lab and a friend of the kidnapped Totodile, Gold catches Silver.

Aibo (Aipom)

▲ Gold

He can be reckless and relies too much on luck. But his sense of justice when it comes to Pokémon is second to none... and his battle skills get better every day!

Sunbo (Sunkern)

Exbo (Cyndaquil)

Polibo (Poliwag)

For me the 21st century began when I got my first Game Boy Advance... a Pokémon Center limited edition! I was totally excited! Suicune blue! (Of course, I get excited easily.) I still play it to get in the right creative mood...

Message from MATO

Gold, Silver, Red, Blue, Yellow and all those Pokémon... The four years I've spent with them have seemed long, but it also feels like just yesterday that we first met. It's an amazing feeling. We've been able to have this great run because of the enthusiasm of you, our fans. And so, with deep gratitude, we bring you this book!
